- In anticipation of the 2017-2018 school year, we are excited to embark upon another year of **WEB (Where Everybody Belongs)**. This mentoring program links our future eighth-graders with our future sixth-graders to support confidence in our newest Red Hawks and connections between their peers and our "upperclassmen." Our seventh-grade students will learn about the opportunity today and applications to serve as mentors will be due March 1st. We look forward to another year of WEB at Wredling-Where Everybody Belongs!
- It's that time of year when Student Council needs your help with our Annual "**Give from the Heart**" food drive for Tri-City Salvation Army. Are you ready to give from the heart? Student Council hopes you are, because this year we want to make it bigger and better than ever! Our goal this year is to donate 3,000 items. If each team could collect 250 items we will reach our goal. Please bring them to your team and put them in the designated box.

Be a hero today. Be helpful, empathetic, respectful, and open-minded.
Thank you Wredling! Have a great day!
