

## BAND SCHOOL INSTRUMENT RENTAL (2017-2018)

Dear Parents and Musicians,

Wredling Middle School and District 303 attempts to provide band instruments to student performers for those instruments that cost would prohibit anyone from their rental/purchase such as tubas and bass clarinets. We also offer rental instruments as a convenience to students who are renting their instrument from a music store but the size of the instrument a makes daily transport on the bus difficult. These include french horns, baritones and trombones.

These instruments are purchased and maintained by the district. An annual rental fee of \$75 helps the WMS music program to defray costs of maintenance, repair, or replacement. If you need to use the instrument home, the annual fee is \$150. The average repair or cleaning charge for these instruments is \$120 - \$180. School instrument loaner fees are the same at all district middle schools. It is necessary for students to have an instrument at home for practice.

Please sign below and remit your check payable to Wredling Middle School. All fees go directly to the repair, maintenance, and replacement of the music instruments. Please contact the music department with any questions.

Mr. Mike Bazan – Michael.Bazan@d303.org
