

Summer Strings Camp 2017

All string players are encouraged to join us for summer music-making and fun! You will learn new songs, meet new friends, and play games to get better at your instrument. We will have a concert at the end of camp to show our family and friends some of what we learned. Students are welcome to join us even if they will have to miss some rehearsals. You just have to make time to practice your music at home to make up for any missed rehearsals.

WHEN? Rehearsal dates are: June 13, 15, 20, 22, 27, and 29 (Tues & Thurs)
Camp Performance is: Thursday, June 29--last 15 minutes of class
